SAFETY DATA SHEETS

This SDS packet was issued with item: 075923800

The safety data sheets (SDS) in this packet apply to the individual products listed below. Please refer to invoice for specific item number(s).

070431338 075923818

Date of issue: 04/21/2015 Supersedes: 03/02/2015

SECTION 1: Identification of the subst	ance/mixture and of the company/undertaking
1.1. Product identifier	
	Mixture
Product name	Slugbuster Powder Concentrate (TFC-400)
1.2. Relevant identified uses of the substa	nce or mixture and uses advised against
	Cleaner
1.3. Details of the supplier of the safety da	ta sheet
RAMVAC Dental Products, INC	
212 North Main	
Spearfish, 57783 T 605-642-4614	
	1-800-535-5053
SECTION 2: Hazards identification	
2.1. Classification of the substance or mix	ture
Classification (GHS-US)	
Not classified	
2.2. Label elements	
GHS-US labeling	
No labeling applicable	
0 11	
2.3. Other hazards	
No additional information available	
2.4. Unknown acute toxicity (GHS-US)	
Not applicable	
SECTION 3: Composition/information	on ingredients
3.1. Substance	
Not applicable	
3.2. Mixture	
Full text of H-phrases: see section 16	
SECTION 4: First aid measures	
4.1. Description of first aid measures	
	Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).
First-aid measures after inhalation	Allow victim to breathe fresh air. Allow the victim to rest.
First-aid measures after skin contact	Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse.
First-aid measures after eye contact	Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persist.
First-aid measures after ingestion	Rinse mouth. Do NOT induce vomiting. Obtain emergency medical attention.
4.2. Most important symptoms and effects	, both acute and delayed
Symptoms/injuries :	Not expected to present a significant hazard under anticipated conditions of normal use.
4.3. Indication of any immediate medical a	ttention and special treatment needed

Indication of any immediate medical attention and special treatment needed 4.3.

No additional information available

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

SECTION 5: Firefighting media 5.1 Extinguishing media Suitable extinguishing media : Do not use a heavy water stream. 5.2 Special haards arising from the substance or mixture No additional information available 5.3. Advice for firefighters Firefighting instructions : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment. Protection during firefighting : Do not enter fire area without proper protective equipment, including respiratory protection. SECTION 6: Accidental release measures 6.1. 6.1. Personal precautions, protective equipment and emergency procedures 6.1.1. For one-mergency personnel : Energency procedures Emergency procedures : Equip cleanup crew with proper protection. Emergency procedures : Ventilate area. 6.2. Environmental precautions Prevent entry to sewers and public waters. Notify authorities if liquid enters sewers or public waters. 6.3. Methods and material for containment and cleaning up Methods for cleaning up : On land, sweep or showel into suitable containers. Minimize generation of dust. Store away from other materials. 6.4. Reference to other sections <th>5.1 Extinguishing meda ∴ Feam. Dry powder. Carbon dioxide. Water spray. Sand. 5.2 Special hazards arising from the substance or mixture No additional information available 5.3 Advice for firefighting instructions ∴ Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical firefighting instructions. 7.4 Prefeditional information available Sectored for firefighting any chemical firefighting water for menting eavironment. Prefedition during firefighting instructions. protective equipment and emergency procedures 6.1. For emergency responders Equip cleanup crew with proper protection. Emergency procedures Exercise ad public waters. Notify authorities if liquid enters severs or public waters. Protection of using for on the verspan or fog for cooling exposed areas. Reference to other sections Control of cooling exposed containers. Exercise adaption of the water spray or fog for cooling exposed containers. Protection during firefighting and contex proved meeting water for equipment. Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Other information

: Do not eat, drink or smoke during use.

SECTION 9: Physical and chemical p	properties
9.1. Information on basic physical and c	
Physical state	: Solid
Appearance	: Fine white powder.
Color	: Colorless
Odor	: No data available
Odor threshold	: No data available
рН	: No data available
pH solution	: 8.5 (8 - 8.5)
Relative evaporation rate (butyl acetate=1)	: No data available
Melting point	: No data available
Freezing point	: No data available
Boiling point	: No data available
Flash point	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Flammability (solid, gas)	: No data available
Vapor pressure	: No data available
Relative vapor density at 20 °C	: No data available
Relative density	: No data available
Specific gravity / density	: 961 kg/m³
Solubility	: Water: < 10 %
Log Pow	: No data available
Log Kow	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
Explosive properties	: No data available
Oxidizing properties	: No data available
Explosive limits	: No data available
9.2. Other information	
No additional information available	
SECTION 10: Stability and reactivity	
10.1. Reactivity	
No additional information available	
10.2. Chemical stability	
Not established.	
10.3. Possibility of hazardous reactions	
Not established.	
10.4. Conditions to avoid	
Direct sunlight. Extremely high or low temperatur	es.
10.5. Incompatible materials	
Strong acids. Strong bases.	
10.6. Hazardous decomposition products	
Carbon monoxide. Carbon dioxide.	
SECTION 11: Toxicological informati	ion
11.1. Information on toxicological effects	

04/21/2015 1002DOC_C SlugBuster Powder Concentrate SDS EN (English US)

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Acute toxicity	: Not classified
Skin corrosion/irritation	: Not classified.
Serious eye damage/irritation	: Not classified.
Respiratory or skin sensitization	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
Specific target organ toxicity (single exposure)	: Not classified
Specific target organ toxicity (repeated exposure)	: Not classified
Aspiration hazard	: Not classified
Potential Adverse human health effects and symptoms	: Based on available data, the classification criteria are not met.

SECTION 12: Ecological informatio	n
12.1. Toxicity	
No additional information available	
12.2. Persistence and degradability	
Slugbuster Powder Concentrate	
Persistence and degradability	Not established.
12.3. Bioaccumulative potential	
Slugbuster Powder Concentrate	
Bioaccumulative potential	Not established.
12.4. Mobility in soil	
No additional information available	
12.5. Other adverse effects	
Effect on ozone layer	:
Effect on the global warming	: No known ecological damage caused by this product.
Other information	: Avoid release to the environment.
SECTION 13: Disposal consideration	ons
SECTION 13: Disposal consideration 13.1. Waste treatment methods	ons
	 Dispose in a safe manner in accordance with local/national regulations.
13.1. Waste treatment methods	
13.1. Waste treatment methods Waste disposal recommendations	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information In accordance with DOT Not regulated for transport Additional information	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information In accordance with DOT Not regulated for transport	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information In accordance with DOT Not regulated for transport Additional information Other information	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information In accordance with DOT Not regulated for transport Additional information Other information ADR	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information In accordance with DOT Not regulated for transport Additional information Other information ADR No additional information available	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information In accordance with DOT Not regulated for transport Additional information Other information ADR No additional information available Transport by sea	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information In accordance with DOT Not regulated for transport Additional information Other information ADR No additional information available Transport by sea No additional information available	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information In accordance with DOT Not regulated for transport Additional information Other information ADR No additional information available Transport by sea No additional information available Air transport	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.
13.1. Waste treatment methods Waste disposal recommendations Ecology - waste materials SECTION 14: Transport information In accordance with DOT Not regulated for transport Additional information Other information ADR No additional information available Transport by sea No additional information available	 Dispose in a safe manner in accordance with local/national regulations. Avoid release to the environment.

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

SECTION 15: Regulatory information

15.1. US Federal regulations

Slugbuster Powder Concentrate

Not listed on the United States TSCA (Toxic Substances Control Act) inventory

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

15.2. International regulations

CANADA

No additional information available

EU-Regulations

No additional information available

Classification according to Regulation (EC) No. 1272/2008 [CLP]

Classification according to Directive 67/548/EEC [DSD] or 1999/45/EC [DPD]

Not classified

15.2.2. National regulations

15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

SECTION 16: Other information	
Other information	: None.
NFPA health hazard	: 1 - Exposure could cause irritation but only minor residual injury even if no treatment is given.
NFPA fire hazard	: 0 - Materials that will not burn.
NFPA reactivity	: 1 - Normally stable, but can become unstable at elevated temperatures and pressures or may react with water with some release of energy, but not violently.
