page 3/5 BEAUTIFIL II Enamel

(according to 1907/2006/EC,Article 31)

Printing date: May 29, 2015

(Contd. of page2)

5.2	Special hazards arising from the substance or mixture:			
	In case of fire, do not breathe fumes and gases. (Irritation gases and fumes may emit.)			
5.3	Advice for firefighters:			
	Wear fire protective cloth and self-contained breathing apparatus, if necessary.			
	cidental release measures			
6.1				
	Avoid contact with eyes and skin.			
6.2				
	Send to approved treatment/disposal company or dispose according to local, state and federa			
	regulations.			
6.3	5 1			
	Wipe up and discard in a suitable container.			
6.4				
	See Section 7 for information on safe handling.			
	See Section 8 for information on personal protection equipment.			
	See Section 13 for disposal information.			
7 Ha	ndling and storage			
7.1	Andling and storage Precautions for safe handling:			
	Avoid inhalation of grindings and prolonged skin contact with uncured resin.			
7.2				
	Store in a cool and dark area. (Keep refrigerated when not in use)			
7.3				
	No further relevant information available			
8. Ex	posure controls/personal protection			
8.1	•			
	Not further data; see item 7.			
8.2	•			
	Respiratory Protection:			
	Not required (use protective gas mask for organic gas, if necessary.)			
	Hand Protection: Latex or rubber gloves			
	Eye Protection:Safety goggles (May be required)Skin Protection:Not required.			
	Skill Plotection. Not required.			
9. Ph	ysical and chemical properties			
9.1	Information on basic physical and chemical properties			
	Appearance/Odor/Colour: Semitransparent high viscosity paste			
	Boiling Point: Not determined.			
	Flash point: Not determined.			
	Relative Density: 1.9 (water=1)			
	Solubility: water solubility Insoluble

	9.2	Other information	
		No further relevant information available.	
	10. Stal	bility and reactivity	
	10.1	Reactivity:	
		Polymerization will occur with heat, light.	
	10.2	2 Chemical stability:	
		Stable under normal temperatures and pressures.	
	10.3	B Possibility of hazardous reactions:	
		No dangerous reactions known.	
	10.4	Condition to Avoid:	
		Protect from exposure to the light.	
		Keep away from heat and direct sunlight.	
	10.5	5 Incompatible materials:	
		No further relevant information available.	
	10.6	Hazardous Decomposition Products:	
		None under normal conditions of storage and use.	
		kicological information	
	11.1	Information on toxicological effects:	
		Primary irritant effect;	
		On the skin: Irritant to skin and mucous membranes.	
		On the eye: Irritating effect.	
		Sensitization;	
		Sensitization possible through skin contact.	
	40 5		
		ological information	
	12.1	No further relevant information available.	
	10.0	2 Persistence and degradability:	
	12.2	No further relevant information available.	
	12.3	Bioaccumulative potential:	
	12.5	No further relevant information available.	
	12 /	Mobility in soil:	
	12.4	No further relevant information available.	
	12.5	5 Results of PBT and vPvB assessment:	
	12.5	Not applicable.	
	12.6	Other adverse effects:	
	12.0	No further relevant information available.	
	13 Dis	posal considerations	
		Waste treatment methods:	
		Dispose of contents/container to in accordance with local/regional/national/internation	onal
		regulations.

14. Transport information		
14.1	UN number:	Void
14.2	UN proper shipping name:	Void
14.3	Transport hazard class(es):	Void
14.4	Packing group:	Void
14.5	Environmental hazards:	No further relevant information available.
14.6	Special precautions for user:	Not applicable.
14.7	Transport in bulk according to Annex II	of MARPOL73/78 and the IBC Code:
		Not applicable.

15. Regulatory information

- 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture:
 - EU REGULATIONS: See Section 2
 - Other regulations, limitations and prohibitive regulations:
 - The product is a medical device according to the EC-directive 93/42/EEC.

15.2 Chemical safety assessment:

A Chemical Safety Assessment has not been carried out.

16. Other information

This product is intended for use by dental professionals. (instrument/material)
