9.6 Explosive Properties: 9.7 Oxidizing Properties:	N/D N/D				

10.Stability and reactivity

Stable in a normal temperature.

10.1 Condition to Avoid:	Avoid exposure to direct sun light on the container.

10.2 Materials to Avoid: Strong oxidizing materials

10.3 Hazardous Decomposition Products:

Will not occur

11.Toxicological information

No information

12.Ecological information

No information

13.Disposal considerations

Dispose of contents/container to in accordance with local/regional/national/international regulations (to be specified).

14.Transport information

Airline restriction information ; It doesn't correspond. UN No. ; It doesn't correspond. Sea restriction information ; It doesn't correspond. UN No. ; It doesn't correspond.

15.Regulatory information

Follow all regulations in your country.

16.Other information

This product is intended for use by dental professionals. (instrument/material)
